

Final Year Project – Weekly Log Form

(WEEK #) 2

1. Student & Project Information

Student Name	Student ID	Attendance
M. Huzefa Sherab	0320-0074	P
M. Anas	0222-0468	P
M. Anas Raza	0222-0323	P
M. Ibrahim	0122-0263	P

2. Summary of Weekly Work

Main Objectives for the Week:

- still searching for an idea. looking for an
- idea that uses GPT or AI algorithm

Tasks Completed:

- Planning on creating an Ecommerce
- platform with a specialized recommended engine.

Hours Worked:

- 12 Hours

3. Work in Progress

Tasks Not Completed / Pending:

- No project confirmed. Ecommerce already
- taken by other group.

Challenges Encountered:

- other projects like NLP chatbot not selected,
- as it requires further elaboration

Actions Taken / Solutions Implemented:

- we will work on finding another project
- that makes the use of GPT,

4. Planning for Next Week

Planned Tasks & Objectives:

- Further work needed. We need to make
- something that's a creative use of GPT.

Resources/Support Needed:

- Need to learn how GPT works, see hugging
- face transformers.

5. Reflection & Feedback

- Key Learnings:
- More research is required to decide
- how to involve AI in projects.
- Additional Comments:
- -
-
